Onderscheiden met de Koninklijke Erepenning

June 12, 2014  
Breda

Dear Sir,

On behalf of the Princenhage's Male choir, I wish to inform you about the following:

In Breda, the Netherlands, on the 24, 25 and 26 of October festivities will be organised in the light of the liberation of the city of Breda from the occupation by the German troops.

That liberation happened mainly by Polish troops, led by General Maczek. Many Polish soldiers were killed in Breda and surroundings. That's why commemorations take place still annually.

This year it concerns the 70th commemoration, and therefore it will be attended by dignitaries from both Poland and the Netherlands.

For example, on the 60th commemoration Queen Beatrix and the Polish president were present.

It is expected that this year too, representatives of the Royal House as well as the Head of State of Poland will be present.

Therefore, we would like to invite the Chór Męski Uniwersytetu Rolniczego Agricola which will participate in the program that, including the Princenhage's male choir, will be organized in that weekend in October. Some concerts are already planned with the participation of Agricola.

The visit of the male choir Agricola in October is all about a choir-exchange. In this context, it is intended that our choir will visit the city of Krakow in late 2015 and will provide some concerts in cooperation with Agricola.

We trust that this exchange will have the approval of the Agricultural University of Krakow.

Yours sincerely,

Frans Wiegerraad  
Chairman of Princenhage's Male Choir.
